

Caring for Women is a Way of Life for Us

Your good health is our top priority. We have recently joined an elite group of facilities across the country that share an important commitment to raising the standard of care for every patient. We are proud to be recognized as a certified Pink Ribbon Facility.

As a Pink Ribbon Facility we take pride in providing every woman that comes to us for a mammogram with a digital mammography exam. Digital mammography produces images that appear on the technologist's monitor in a matter of seconds. There is no waiting for film to develop, which means a shorter time spent in the exam, and you may get results the same day.

We hope you'll take advantage of the latest in digital imaging and call us today for your appointment at [telephone].
