

**3D
MAMMOGRAPHY**
IS HERE.

Up to 40% fewer callbacks and Improved cancer detection
compared with 2D mammography*

3D Mammography is an extraordinary breakthrough in cancer screening and detection. Our new breast tomosynthesis system delivers greater clarity, more certainty and is bringing a new dimension to breast health.

Call us today to learn more and to schedule your 3D mammogram at **XXX-XXX-XXXX**.

Now 3D minimally invasive biopsy procedures are available, for faster and lower dose procedures.
